

DR. S. HARINI

POSTDOCTORAL RESEARCHER | MANAGEMENT | HEALTH INFORMATICS

Limerick, Ireland | +353 89 973 8730 | harinisai@gmail.com | Stamp 1G — Eligible to Work in Ireland

RESEARCH INTERESTS

- EHR adoption and healthcare technology adoption
- Self-efficacy and behavioural intention
- Technology adoption and digital transformation
- Organisational behaviour and HRM
- Health informatics
- Quantitative research and SEM / CFA

EDUCATION

2021–2026	PhD — Management Saveetha University Doctoral research focused on EHR adoption and behavioural intentions.
-----------	--

2021–2023	M.Com — Commerce Alagappa University
-----------	---

2011–2013	MBA — HRM & Finance Anna University
-----------	--

2008–2011	B.Com — Computer Applications Alagappa University
-----------	--

2011–2012	PG Diploma — Business Administration Alagappa University
-----------	---

RESEARCH EXPERIENCE

2021–2026	Doctoral Research — EHR Adoption and Behavioural Intentions University, India Designed and executed a quantitative research study involving 420+ healthcare professionals across multi-specialty hospitals. Developed and validated a nine-factor SEM model examining social influence, self-efficacy, performance expectancy, and perceived usefulness, perceived risk and intention.
-----------	---

- Applied quantitative research methods, survey design, questionnaire development, SEM/CFA, reliability and validity assessment.
- Reported strong model fit in the AMOS analysis (CFI > 0.95; RMSEA < 0.08).
- Developed evidence-based recommendations to reduce digital adoption barriers and improve staff readiness for EHR implementation.
- Supported research ethics submissions, proposal writing, research mentoring and academic writing.

RESEARCH PROFILE

Academic researcher in Management, Organisational Behaviour and Health Informatics, with doctoral research focused on EHR adoption and behavioural intentions. Research strengths include self-efficacy, technology adoption, digital transformation, quantitative research and SEM. Experienced in university teaching, research mentoring, academic writing and research-methodology workshops.

- Research participant base: 420+ healthcare professionals.
- Core themes: self-efficacy, technology adoption, behavioural intention, EHR adoption and digital transformation.
- Interdisciplinary focus across management, HRM, organisational behaviour and healthcare.

RESEARCH TOOLS

SPSS | AMOS | SmartPLS | Mendeley | Microsoft Office

RESEARCH METHODS

- Survey design
- Questionnaire development
- SEM / CFA
- Reliability & validity
- Literature synthesis
- Research ethics
- Proposal writing

DR. S. HARINI

POSTDOCTORAL RESEARCHER | MANAGEMENT | HEALTH INFORMATICS

Limerick, Ireland | +353 89 973 8730 | harinisai@gmail.com | Stamp 1G — Eligible to Work in Ireland

TEACHING EXPERIENCE

Jan 2023–Dec 2023	Assistant Professor Saveetha School of Management (SIMATS), India Postgraduate teaching in HRM and organisational behaviour; workshop facilitation in AMOS-based SEM, SPSS and research methodology; academic and internship support.
Nov 2019–Jan 2023	Assistant Professor DRBCCC Hindu College, India Undergraduate teaching in Commerce and Business Administration; curriculum development and academic audit support; developed and formalised Tally ERP 9 practical syllabus for the University of Madras.
Jun 2014–Dec 2014	Lecturer Anna University, India Designed curriculum materials for undergraduate business modules and supported academic audits and administrative planning.

Conference Publications

- Blockchain in Healthcare: Privacy-Preserving Applications and Security Protocols. 4th International Conference on Intelligent Computing, Information and Control Systems (ICOIICS 2025), IEEE. DOI: 10.1109/ICOIICS67115.2025.11390314
- Employees' Perception Towards Blockchain Technology in HRM — Recruitment Processes. ICSSTD-2021. Best Paper Award. ISBN: 978-93-84295-54-7

ACADEMIC TRAINING

- Applying AMOS for Structural Equation Modelling: CFA, Reliability and Validity — International Workshop.
- Basic Statistical Analysis and Interpretation Using SPSS — International Online Workshop.
- New Dimensions of Research Methodology — National Workshop.
- Citations and Reference Management Using Mendeley — Two-day Faculty Development Programme.

ACADEMIC CONTRIBUTION

- Research mentoring
- Academic writing support
- SEM / SPSS workshop facilitation
- Curriculum development
- Academic audit support
- NAAC peer review committee participation
- IIC–MHRD ambassadorial role

Scopus citations 6

Scopus H-index 1

Research participants 420+

AWARDS / RECOGNITION

- Gold Medallist — MBA, Anna University.
- Best Paper Award — Blockchain in HR Management, ICSSTD 2021.

CORE SKILLS

- Academic / scientific writing
- Teaching
- Curriculum development
- Research mentoring
- Workshop facilitation
- Conference presentation

WORK STATUS

- Ireland — Stamp 1G
- Eligible to Work in Ireland
- Limerick, Ireland

PRESENTATIONS & CONFERENCE PARTICIPATION

- International Conference on “Global Recession” — Presenter
- International Seminar on “Information Technology” — Presenter
- International Conference on “Advanced Management on Mobile Technology” — Presenter
- National Level Seminar on “Women Self Help Groups”
- National Seminar on “Global Economic Crisis”
- National Seminar on “Emotional Intelligence”
- State Level Seminar on “Intellectual Property Rights”
- Workshop on “Awakening the Giant for Leadership” — Launch Pad, Coimbatore
- One-Day Workshop on “New Dimension of Research Methodology”
- International Webinar on “The Future of Accounting: Towards Digital Skills in a Transformed World”
- International Online Workshop on “Basic Statistical Analysis and Its Interpretation Using SPSS”
- Faculty Development Programme on GST — NACIN, Chennai
- Two-Day Faculty Development Programme on “Citations and References Management Using Mendeley”

RESEARCH THEMES — KEY STRENGTHS

- Health informatics and EHR technology adoption research.
- Self-efficacy and behavioural intention as major research themes.
- Technology adoption and digital transformation in organisational settings.
- Quantitative modelling using SEM/CFA with AMOS and SmartPLS.
- Interdisciplinary research across management, HRM, organisational behaviour and healthcare.

DR. S. HARINI

POSTDOCTORAL RESEARCHER | MANAGEMENT | HEALTH INFORMATICS

Limerick, Ireland | +353 89 973 8730 | harinisai@gmail.com | Stamp 1G — Eligible to Work in Ireland

PROFESSIONAL / RESEARCH SKILLS

Research

- Quantitative research
- Survey design
- Questionnaire development
- SEM
- CFA
- Reliability and validity assessment
- Literature review and synthesis
- Research ethics
- Proposal writing

Software

- SPSS
- AMOS
- SmartPLS
- Mendeley
- Microsoft Office

Academic

- Academic/scientific writing
- Teaching
- Curriculum development
- Research mentoring
- Workshop facilitation
- Conference presentation

RESEARCH POSITIONING

Management & Health Informatics Researcher

*EHR Adoption → Self-Efficacy → Behavioural Intention →
Technology Adoption → Digital Transformation*

SELECTED RESEARCH CONTRIBUTION

- Investigated behavioural, organisational and psychological determinants of EHR adoption.
- Integrated multiple technology-adoption constructs into a nine-construct SEM framework.
- Examined self-efficacy and behavioural intention as central themes in technology adoption.
- Applied SEM/CFA approaches using AMOS and SmartPLS.
- Translated quantitative findings into practical recommendations for healthcare organisations.
- Contributed to interdisciplinary academic work spanning management, HRM, organisational behaviour and health informatics.
